

**Says**

What have we heard them say?  
What can we imagine them saying?

**Thinks**

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

they says the reason for they are saying for most top reach content for videos and using the trending content for creating videos.

they are saying ours successful journey for the youtube.

the top most youtube channels are tells our youtube income from one video and one month youtube income.

they are says how we can grow in youtube channel for step by step.

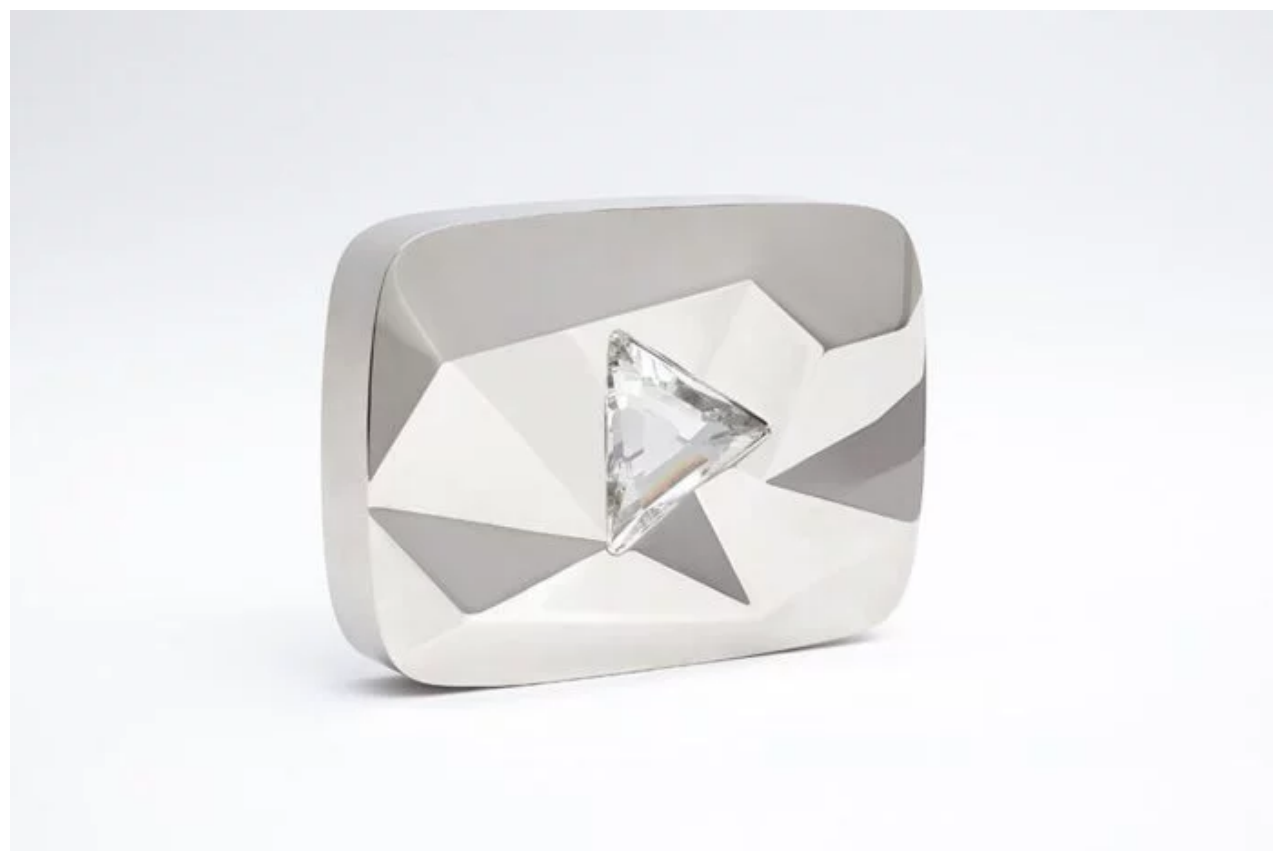

they are entering into the youtube field for earning more money and wants to go a cine field.....

this field for more problems to face it.example:bad comments,no growth,no money and etc.....

youtube is a open source field.because every person was goto the field and prove our knowledge bcame and good youtuber and earning money for youtube

the top youtubers are making better content ande making videos daily to our subscribetrs.

they are creating uoloading and publishing videos for our future .because all the videos are increasing ours daily income.

they are using full time for searching content and ediuting videos and shooting uploading and more times and money use for this videos.

they are fear to hackers and government are also etc..because hakers are hacked our youtube channels and he losted for our subscribers.

financial reasons and family situations are affected their behavior

they are uploading many videos but all are not popular so they are fearing afor this reason is also.

youtube was many restrictions for uploading videos .if you break the rules your channel was blocked

**Does**

What behavior have we observed?  
What can we imagine them doing?

**Feels**

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
